

Age groups: Children and Elderly

This brief provides information on Moreland’s community by 10-year age groups, with a focus on the elderly and young children as the most vulnerable age-based population groups. Data is drawn from the Australian Bureau of Statistics population census 2016.

Version 1.0 March 2020

In this brief

Heat map: Elderly persons aged 60 years and older	2
Heat map: Young children - persons aged 10 years and younger	3
Moreland at a glance: age profile.....	4
Moreland’s suburbs at a glance: elderly and young children	5
Suburb lookup tables: population in 10-year age groups	6

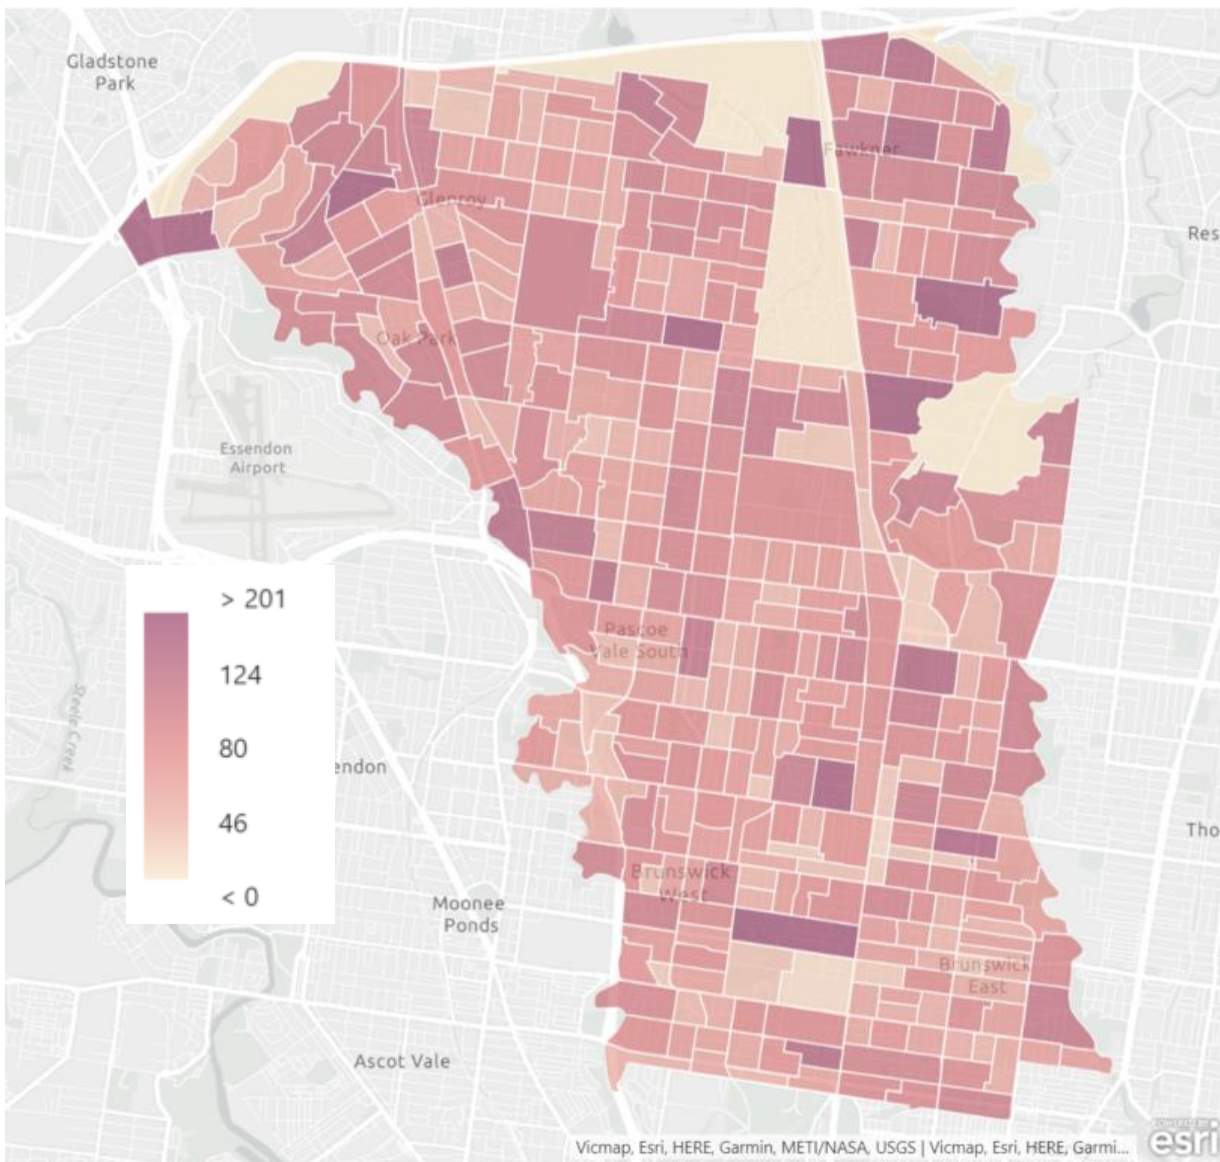

Key insights

- Moreland’s population includes all age groups with higher numbers in younger age cohorts and smaller numbers in older age cohorts. The most dominant age groups are 20-40 year old and children less than 10 years old.
- There are at least 19,000 young children, less than 10 years old, living in Moreland. Coburg, Glenroy, Pascoe Vale and Fawkner are the suburbs with the highest numbers of young children in Moreland.
- There are approximately 28,000 elderly aged 60 years and older living in Moreland. Coburg, Glenroy and Brunswick are the suburbs with the highest numbers of elderly living in Moreland.

Further information

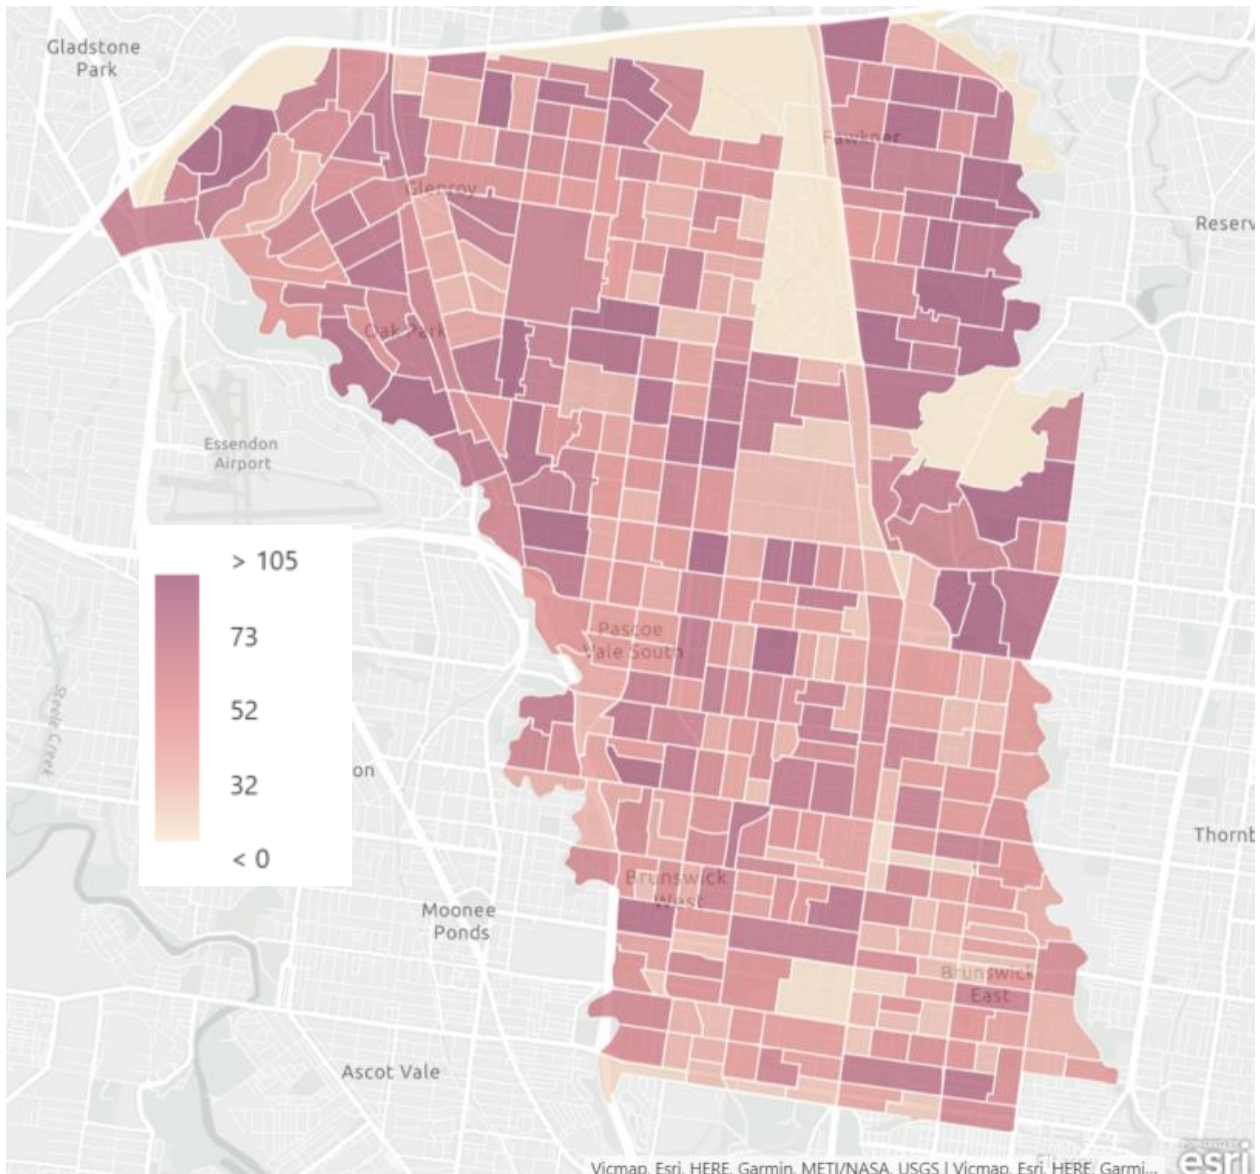

This brief has been developed by the Moreland City Council Research Team. It is based on the most recent data available at the time of publication. This brief may be updated in the future, please check our website for the latest version. For further information email research@moreland.vic.gov.au or phone 9240 1111.
