

Cafe Tables and Stools B120.03

DESIGN STATEMENT

Public cafe tables and stools are used to stimulate outdoor dining where footpath dining is not yet established. This seat provides variation of public seat setting which is sturdy yet inviting. Bolted down installation for the furniture allows relocation when it is no longer needed.

APPLICABLE LOCATION

Small shopping strips, as specified.

COUNCIL STANDARD DRAWING

N/A

CROSS REFERENCE DOCUMENT

- Moreland Small Shopping Strip Public Domain Manual

STANDARD SPECIFICATION

Type: Cafe table and stools

Materials: Welded metal sheet with hardwood timber slats. Black paint on the metal frame using 2-pack paint protective coating.

Dimension: Table dia.600mm; stool dia.360mm. Ensure adequate spacing is provided around the seat.

Installation: Use minimum two stools with a table. Bolt down fixing on concrete.

SUPPLIER

Furphy Foundry, Commercial System Australia or similar.

MAINTENANCE

Council Roads Unit: Hardwood located in outdoor areas should be initially re-coated after 3 months, and every 6 months thereafter. Re-coating should be done with coats of timber oil. For degraded surface which appears greying and checking, a light sanding is recommended to freshen up the timber. Replace damaged slats when necessary.

Street Cleansing Unit: Remove graffiti when required with graffiti remover. Paint on metal can be recoated using similar paint after detergent degreasing and light abrasion.

GENERAL NOTES

1. Refer to manufacturer's installation manual
